Annual declaration of interests

You are required to sign this form in order to confirm that you have read and taken note of Article 11a of the Staff Regulations as applied by the Conditions of Employment of Other Servants. Signing this declaration should prompt you to consider whether you may have a possible conflict of interest that could affect the performance of your duties at ESMA. The act of signing the declaration should also remind you that when you do have a conflict of interest you should alert the Appointing Authority by using the form available in Template 4.

Article 11a of the Staff Regulations states the following:

- 1. An official shall not, in the performance of his duties and save as hereinafter provided, deal with a matter in which, directly or indirectly, he has any personal interest such as to impair his independence, and, in particular, family and financial interests.*
- 2. Any official to whom it falls, in the performance of his duties, to deal with a matter referred to above shall immediately inform the Appointing Authority. The Appointing Authority shall take any appropriate measure, and may in particular relieve the official from responsibility in this matter.*
- 3. An official may neither keep nor acquire, directly or indirectly, in undertakings which are subject to the authority of the institution to which he belongs or which have dealings with that institution, any interest of such kind or magnitude as might impair his independence in the performance of his duties.*

I hereby declare that I have read Article 11a of the Staff Regulations and am aware of my obligations and attach a list of my own and my close family members' current interests¹. Whenever I have a conflict of interests I will alert the Appointing Authority.
